**247/PC/09 - Street Lighting**

One street light at Bells Hill site has been removed by Persimmon and is not going to be replaced. This was on the original plans according to them, another light will be put in and maintained by them. BLE have said that the post was old and is not worth keeping. The light at Bolds Court is the same light as all of ours. L&Q and BCC will not take responsibility for it. BLE have suggested that we adopt this light in place of the removed one from Bells Hill, which makes sense as this light has now been out for possibly a year or more, it just needs a new bulb. One way of checking who owns the light is to find out who pays for the electric supply. Upon checking our records the clerk can find no record this year of paying any electricity for any lighting supply? To decide what to do about Persimmon removing a light without informing us? To decide whether or not to adopt the Bolds Court light? To decide how to proceed regarding the lighting supply?
