Parish Comments:- Object Previous Comments apply which were:-
‘Object Policy GB1 applies. The separate accommodation is a precursor for a new dwelling. This would appear to be over a 50% increase. Over-development in the Green Belt’.
In addition to these comments Policy EP3 applies, we also note that elements of previous extensions have been included in the original measurements of the floor area when they should NOT have been included??

09/00102/CLUED The Cricket Club, Stoke Green, Stoke Poges, Bucks, SL2 4HT
Application for a Certificate of Lawfulness for existing:- Use of club house for social functions.

Certificate of Lawful use or Development

09/00130/FUL 14 Hastings Meadow, Bells Hill, Stoke Poges, Bucks, SL2 4EA
Erection of detached two storey dwelling and part single storey/part two storey rear extension.

Parish Comments:- Our previous comments apply which were:-
Object. Policy EP3 (a), (b), (d), (f) all apply. Policy H9 too - the new property is not in keeping with the neighbouring properties on Hastings Meadow. The plot for 14A is very narrow (unsuitable for a 3-bedroom property) and we believe that joint access to this property with 14 is not in keeping with the local area. Car parking is also an issue since there is little space and it would mean that 14 and 14A had no front garden - which is not in keeping with the other semi-detached cottages on Hastings Meadow. We are also concerned that the plans do not show the

comparative height/elevations of the properties at 14 and 14A Hastings Meadow as well as the neighbouring property in Penn Meadow. It was clear from our site visit that level of the land at 14A is significantly higher than that of 14, so the new detached property at 14A would either be significantly higher than at 14, or alternatively, if it were built at the same ground level as number 14, it would be significantly lower than the neighbouring property in Penn Meadow (less of an issue). We would also question how a three bed roomed house can be classed as an affordable starter home - which is what the applicant is claiming.

Also we feel that this is over-development of the site and un-neighbourly

- 08/01735/OUT** Pinewood Nurseries

Redevelopment of site to provide one building containing 5 apartments with bin store and bicycle shelter. Construction of vehicular access.

Parish Comments:- The Parish Council strongly OBJECTS to this application. Our previous comments still apply as well as the following:-
The proposed building is still only 4.9 metres from its boundary with 4 Clevehurst Close (which we feel is still too close), a detached bungalow which it will dominate. It is larger in area and footprint than the existing house. The area so far has been free of substantial redevelopment schemes involving apartments, apart from the long standing conversion of Fircroft Court (next door but one) and this proposal would be a precursor to further redevelopment to provide blocks of flats. The proposal is un-neighbourly.
This proposed block of flats is in an area characterised by detached family houses and adjacent to a bungalow. Furthermore, it is a two and a half storey building inappropriate in this location.
In lowering the ridge on the south side, there would now be a clear line of sight directly into 4 Clevehurst Close. We object to the balcony on the top of this part of the building.
The proposal is contrary to Policy EP3 (a) (b) (c) (d) (f) and H9 (iii) (a) (b). The Parish Council also requests that if there are no Tree Preservation Orders on trees on the site, then TPO's should be put in place as soon as possible.
Concern has been expressed regarding the amount of hard standing instead of the existing gravel and potential problems with rainwater run-off. All changes to the previous plans are cosmetic only. The plans remain un-neighbourly.
